

EUCORPGOV Announcement

16 June 2025

We would like to highlight that the seminar/workshop "**Debates on the EU Sustainable Corporate Governance**" took place on June 13, 2025, at WU, as part of the three-year project "**The EU Sustainable Corporate Governance**," supported by the Jean Monnet Network action under the Erasmus+ Programme of the European Union.

The seminar/workshop focused on recent challenges, controversies, and unresolved questions in EU sustainable corporate governance. Distinguished speakers included Prof. Martin Gelter (Fordham University, New York), Prof. Dennis Mueller (University of Vienna), and Prof. Todor Yalamov (Sofia University).

The event also bridged insights from past corporate governance reforms—including those examined in *The European Corporation: Ownership and Control after 25 Years of Corporate Governance Reforms* (Klaus Gugler & Evgeni Peev, eds., 2023, Cambridge University Press)—with the new challenges posed by stakeholderism in the 2020s.
